

The Son

Introduction:

About what situations do you find yourself using the phrase "time flies"? When does it feel like events or circumstances go quickly?

How are you like/unlike your father? Your mother?

Observation:

To whom did God speak in the past? How?

How is the Son described? What has He done?

What kind of relationship do you see between the Father and the Son?

What are the OT passages the author quotes?

Interpretation:

What does the phrase "these last days" mean?

How is Jesus superior to the OT prophets?

How is Jesus superior to angels?

What is the author's argument here in chapter 1?

Application:

How would you describe your relationship with Jesus?

How have you thought of Him in relationship to the Old Testament?

What do you believe about angels? How should a Christian relate to the spiritual world?

What are you looking forward to in this study?
