

The Prophet

Introduction:

Are you likely to want the newest and latest “thing”? Or are you interested in vintage items, or restoring/refurbishing older models?

If you couldn't attend an important event, who could go for you as your best representative? Why?

Observation:

To whom are the readers to fix their thoughts?

Who heard and rebelled?

What is the condition in verse 6?

Interpretation:

How is Jesus an “apostle”?

How is He like Moses? How is He superior to Moses?

What hardens a person's heart? What should the Christian community do to combat this?

What does it mean to enter God's rest?

Application:

How are you being called to encourage others?

In what ways is your heart capable of being hardened? What's the remedy?

How are you at entering God's rest?
